STAFF MEMBERS

Coordinator:	Jane Decker, 299-2424
Counsel:	Don Fallon, 299-2111
Secretary:	Ingrid Condensa, 299-2521

The Intergovernmental Council was established by ordinance of the Santa Clara County Board of Supervisors in compliance with Section 507 of the County Charter, approved by the electorate in June 1976. Its membership is composed of two city council members from the City of San Jose, one City Council member from each of the remaining cities, two members of the Board of Supervisors, one member of the Santa Clara Valley Water District and Special Districts Association, and two members of the School Boards Association.

The IGC was created to: develop improved cooperative relationships among local public agencies; assist in identifying and recommending solutions to joint jurisdictional problems; study and recommend needed consolidation of services; make recommendations via the Board of Supervisors to regional agencies; and appoint subcommittees to study and make recommendations on projects related to its functions.

AIRPORT LAND USE COMMISSION (ALUC)

The Intergovernmental Council has been designated, in accordance with State law, as the Airport Land Use Commission for Santa Clara County by the Board of Supervisors and the City Selection Committee of Mayors. The ALUC was established to: insure that new uses for the areas surrounding the public and military airports in the County are compatible with the airports; review any substantive changes in development plans of the public airports; and review applications for construction of any new public or private airport.

INTER-CITY COUNCIL (ICC)

meets: Second Thursday of Each Odd-Numbered Month

President: Jim Bargabus, City of Milpitas

Vice President: Iola Williams, City of San Jose

Secretary-Treasurer: Beth Wyman, City of Morgan Hill

The Inter-City Council consists of all mayors and councilmembers from each city in Santa Clara County. Each city designates a voting member and alternate with one vote on the Inter-City Council. The city manager or administrative officer of the cities and members of the Board of Supervisors are ex-officio members. The general purpose of the Inter-City Council is to encourage intergovernmental cooperation among the cities and the County government.

CITY SELECTION COMMITTEE

The City Selection Committee consists of the mayors or their designated alternates from each city in Santa Clara County. The City Selection Committee meets, when needed, to appoint city representatives to boards, agencies and commissions as required by law. City Selection Committee meetings are held, as needed, prior to Intergovernmental Council meetings.

The Santa Clara County Health Systems Agency is a community-based health planning organization established by Federal law to achieve a more equal access to quality health care at a reasonable cost. Activities of the Agency include the development of a Health Systems Plan, from which an Annual Implementation Plan is established. This Annual Plan lists goals and objectives which recommend ways to improve medical services and the health status of residents. Individual projects are developed to implement these recommendations. Technical assistance is also provided to individuals and entities to develop projects achieving the goals of the Annual Plan. The Agency assists the State in review of capital expenditures proposed by health facilities in the area (project reviews). The Agency reviews and approves proposed uses of certain Federal funds in the County and determines appropriateness of existing services.

Health education is promoted to increase the knowledge and awareness of the community regarding proper personal health care and effective use of available health services.

Community involvement and support is essential if the Agency is going to meet its missions and goals. This input is achieved through public meetings and hearings and by maintaining a majority of consumer representation on all committees and advisory groups as well as the Governing Body of the Agency.

Governing Body meetings are held on the second Thursday of every month at 7:30 p.m. The location for these meetings is the GSA Auditorium at 1555 Berger Drive, San Jose. All meetings of the Agency are open to the public.
